

Adnan Aziz

### *How was it started?*

*The idea for this idea was first thought of by Adnan Aziz by when he was watching Charlie and the chocolate factory, at the part when they licked the wall and it tasted like fruit he thought, why not? So he invented the producer company Peel n' taste.*

### *Additional Info about Peel n' taste*

*As stated above Adnan got the idea through Charlie and Chocolate factory, after trial and error he patented his founded his Peel n' taste company in 2005.*

My thoughts on this entrepreneur

I think that this is amazing on how he took such an abstract idea and put it into reality, he did not quit and saw it through.
